EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Gregory S. Gewirtz on 09/27/2004.

2. The application has been amended as follows:

IN THE CLAIMS

CANCEL CLAIMS 11-16 & 20.

3. The following is an examiner's statement of reasons for allowance: None of the prior art of record taken singularly or in combination teaches or suggests the following:

- a connection object comprises a timeout tracking object for calculating a timeout value related to a round-trip message time for communication channel, a bandwidth tracking object for calculating a transmission bandwidth for the channel, and an outstanding queue for storing the message for retransmission of the message over the channel upon initial transmission failure (claim 1);
- selecting a message as a retransmittable message, storing the selected message in an outstanding queue if an acknowledgement is not received

in response to the sent message, and resending the selected message (claims 4 & 7); and

- a selection object programmed as part of a virtual reality environment for selecting messages containing significant data from group of messages and a retransmission object programmed as part of the virtual reality environment for retransmitting the selected messages only after a first unsuccessful transmission of the selected message over a communication channel (claim 10).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Moustafa M Meky whose telephone number is 703-305-9697. The examiner can normally be reached on flex.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ario Etienne can be reached on 703-305-4792. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
